*It is at the end that beginnings are found*

*In the ashes waiting, patiently, to set the skies ablaze*

*Colors in faces*

*Faces in colors*

*Three years of curiosity*

*Three years of ambition wrapped around defeat like a present on Christmas*

*Coal world*

*But pressure breeds perfection*

*I had to break down to build up*

*I had to take the criticism to curate*

*I had to die to see heaven*

*So now...*

*They gotta see this shit*
